Student Code of Conduct

Using Technology Resources
(including the Internet)
at All Saints Catholic Parish Primary School Albany Creek

Years 4-7

1. I agree to follow all teacher instructions regarding the use of the technology resources provided at All Saints including the Internet.
2. I will remember that using the internet is a privilege, not a right and that as a rule we should never access it unless under teacher supervision.
3. When using computers
   • I will only access or send information which is relevant to my work.
   • I will only use my first name in all communications.
   • I will respect the privacy of my family, my fellow students and myself, by not giving out any personal details or reading others emails.
   • I will not send or access junk mail or inappropriate material. Should I receive any, I will inform my teacher immediately.
4. If I mistakenly access inappropriate material, I will turn off the monitor to prevent the site being displayed and I will tell my teacher immediately.

I, .......................................................... (please print name)

Agree to follow the above Code of Conduct for using Technology and the Internet at All Saints and am aware that breaking the rules may result in the loss of my privilege to use the school’s resources for a period of time.

Student’s signature....................................................Date......................

Parent’s or Guardian’s signature.................................

Teacher’s signature....................................................
(signed by the teacher after form is returned to school with the signatures of both student and parent.)
