MOBILE PHONE

ACCEPTABLE USE FORM

Mobile phones at All Saints are to be used according to the following guidelines:

• Children who have a mobile phone at school are expected to hand in the phone at the beginning of the day (turned off) to their class teacher for safe keeping.
• The children are expected to collect the phone from the teacher at the end of the school day.
• The mobile phone is for emergency use only and for contact with the child’s family before or after school hours. Therefore there is an expectation that there would be no photos, videos or text messages sent to others.
• Furthermore there would be no sharing of downloaded or stored information on the mobile phone.
• Any phones that are not handed in each day or that are inappropriately used will be confiscated from the child and the parents will be notified.
• Children that need to use their mobile phone before or after school are expected to do so in an appropriate manner.
• The school, while taking every precaution for the safety of the phone, will not be liable for any damage or loss of the phone due to unforeseen circumstances.
