Each year the Year 5 and 6 students go on school camp. Year 5 in February and Year 6 to Canberra in October. Based on this year’s figures the cost of Year 5 camp is approximately $270 each. The Canberra trip will cost approximately $1120 and is paid in instalments over the preceding 4 terms, first payment being term 4 the previous year and 3 payments in Term 1, 2 & 3 of the year of the Canberra trip. Children who participate in the Music Program pay tuition
and hire of the instrument per term. The cost is around $125 for tuition and $90 for the hire of the instrument or $135 for the hire of a Saxophone.

Children in the Music program also have a camp in June which normally the cost is $120.

Book lists for Year 1 to Year 6 generally go home before the September holidays and have to be returned along with payment in the middle of October. The average price is $150.00.

Special Considerations
Families at All Saints have always been very supportive of the school financially and it is an expectation that all families will pay the school fees each year. From time to time, however, circumstances may mean that families find themselves in financial difficulty due to retrenchments, illness, disabilities or the like.
Parents who experience difficulty in paying fees must arrange a meeting with the Principal to discuss a concession on fees. Failure to discuss payment difficulties with the Principal or non-payment of fees may result in matters being referred to a debt collection agency.

Please note that if you had a remission this year, you will need to apply for one again.

If we make remission arrangements early in the year, our budgeting can be organised effectively for the year.
If you can pay the fees for the year by Tuesday 28th February, you will receive a 2.5% discount.

Fees Payment
Accounts are sent out per term. You can pay monthly, weekly or fortnightly if you prefer. Just see Cathy Reynolds or Rebecca Agar to organise this schedule.
BPay facility is also available for your convenience.

Direct Debiting – The Easy Way!
This is available to you through the Archdiocesan Development Fund (our bank and mortgagor).
If you want to take the hassle out of remembering to pay your fees, they can be deducted from your nominated account in ten monthly instalments (February to November). You may also have deductions taken out fortnightly or quarterly. Forms are available from the school office.
On the form please don’t fill in ‘School Reference No.’. We’ll do that when you send it in. The ‘Amount’ is your annual Fees and Levies Account (including music) divided by 10 if you pay monthly, 20 if you choose to pay fortnightly and 4 if you are paying quarterly instalments.
Please return this form to the school office by WEDNESDAY 15TH FEBRUARY 2017 and ensure you read the Service Agreement on the back of the Direct Debit Request form. Please note all cancellations or alterations must be done through the school office.

DRIVE THROUGH MAP
Preamble / Rationale

All Saints Parish School provides a quality Catholic education for all who enrol. Some funding is received from both State and Commonwealth Governments however, fees and levies are charged to be able to provide this quality education.

Upon enrolment, parents and guardians agree to pay these fees and levies in order for the school to meet its financial commitments.

Values

The values of faith, learning and compassion guide this policy.

Policy Statement

All Saints Parish School believes in a just and equitable fee structure. To allow the school to function effectively, the collection of fees and levies are necessary. It is the responsibility of families to pay these fees on time. The school community, through the Principal, has a responsibility to support those families in genuine financial hardship, through concessions on fees and levies.

Policy Implementation

Level of School Fees (Tuition)
The fee structure is in keeping with the values of the school and is subject to an annual review by the School Board and approved by the Parish Finance Council. Fees are published annually on the school website and in the end of year ‘Back to School’ pack.

School Levies
Additional levies are payable dependent on the students’ year level and activities.

Payment of School Fees
All Saints Parish School will issue an account of compulsory school fees and levies at the beginning of each Term.
Concessions
Parents and Guardians experiencing financial hardship are invited to contact the school to discuss the option of a payment plan or Tuition fee concession. Tuition fee concessions must be applied for at the commencement of each year by completing the Concession Application Form and submitted to the Finance Secretary through the school office during the first month of the school year. A concessional arrangement is valid for one school year. Each application will be handled confidentially. Concessions will also be considered on a case by case basis throughout the school year.

Sibling Discount
Discounts are given to siblings who attend All Saints Parish School at the same time. Discounts are listed on the current Schedule of Fees and are given on the base of Tuition Fee only.

Early Payment Discount
A 2.5% discount on base Tuition Fee and Levies, will be granted to parents and guardians who pay the full year’s school fees and levies by the due date set out on the annual Schedule of Fees. (Usually the end of February in the year that they are due)

Payment Methods
Payments can be made via: BPay;
Direct Deposit;
Eftpos;
Cash;
Credit Card; or
Cheque.

Unpaid Fees
Please refer to the School’s procedure for dealing with Overdue Fees and Levies (Annexure 1).

Confidentiality
All information which is made available to the School Principal will be treated with confidence. Information will be made available only to the Financial Secretary and, if required, the Debt Collection Agency representing the School.

Contact Details
It is the responsibility of each parent to ensure that their current contact details including e-mail and postal addresses, are held by the school.
Procedure for Dealing with Overdue Fees and Levies

For the purpose of more concise writing, in this procedure:
• Fees will mean Fees and Levies;
• Parents will mean Parents and / or Legal Guardians.

The following procedures will be followed for the collection of Overdue Fees.

1. The due date is printed on the Fee Statement. Parents are expected to pay their fees by this date. The Fee Statement is e-mailed to the e-mail address registered with the school.

2. Any parents not paying their Fees by the due date, will be e-mailed a reminder within 7 days of the fees being due. A revised date will be stated on the reminder, normally 7 days from date the e-mail is sent.

3. If fees are not paid by the revised date, a phone call will be made by either the Financial Secretary or School Principal to enquire as to when the fee commitment will be met. A note of this conversation will be made and then a third statement with a final revised deadline for fee payment, summarizing any discussion held, will be mailed home.

4. If the parents do not meet this final agreed deadline or do not co-operate to set an agreed deadline or payment plan, a first collection notice is sent home with a 7 day deadline from the date of the letter being issued, for the payment of overdue fees. The parents will be invited to make an appointment with the Principal to set up a payment plan.

5. If the parents do not comply with the first collection notice, a second collection notice will be sent home, again with a 7 day deadline from the date of the letter being issued. In this second collection notice, warning of the final step will be detailed, outlining what the implications are of the matter being referred to our debt collector.

6. The matter will be referred to our debt collector. This may affect a person’s credit rating if the matter gets to this point.

Final May 2016
