All Saints Parish School Uniform Policy

Our school uniform is a visual symbol of who and what we are to the people of our community. The wearing of our uniform demonstrates pride in our school and is an advertisement for our school community.

Procedures:

- The School Uniform Policy is given out to parents when they enrol in the school and sent out at the beginning of the year so that all parents are continually informed about what is required.
- Students are required to wear the full uniform as outlined in the policy each day. The uniform is to be worn and kept neat and clean. All clothing must be labelled with the child's name.
- The uniform consists of a standard full uniform and a separate sports uniform. Parents will be notified as to which days for each class at the beginning of each year.
- Staff members will check uniforms each day to make sure students are wearing the correct uniform in a neat and tidy manner.
- If students are unable to wear the correct uniform, or any part of it, they require an email to their Class teacher from parents explaining the reasons why.
- Parents of students, who are wearing the incorrect uniform, or any part of it, will be sent an email from their class teacher outlining what is incorrect.
- If there is a period of time where a child is unable to wear the uniform, this will be considered on an individual basis, in consultation with the Principal.
